Dear Parent/Carer

Cars on the academy site

The combination of the main academy drive being inaccessible to cars, a measure that we have had to put in place due to Covid-19 restrictions, and the number of students at OA Carlton continuing to grow, has meant that the school car park is very busy at the start and the end of the day.

Please be aware that the official drop off / pick up point for the academy is Carlton Park car park. We would ask that you use this as an alternative to the school car park, whilst being mindful that you should not be parking on local roads or double yellow lines.

If the situation becomes unsafe for children, we would have to close the academy site entirely to non-staff cars.

If possible, your child should walk or cycle to school.

Yours sincerely

Paul Haynes
Principal
